

# Pharmacy Benefit Dimensions®

## 2021 Pharmacy Benefit Dimensions 5 Tier Drug Formulary

The following information applies to most members enrolled in a Pharmacy Benefit Dimensions pharmacy plan.

Note: If you are reading a printed version of this drug formulary, content may have been updated since it was last printed. For the most up-to-date information, please visit [www.pbdrx.com](http://www.pbdrx.com).

### Drug Formulary Introduction

- Generic drugs appear in lower case. Brand name drugs are capitalized.
- Preferred generic drugs and a few select brand name drugs are assigned to Tier 1. In most instances, once a generic product is available for which there are no bioequivalence concerns, the brand product is removed from the formulary (not covered), and the generic product is assigned to Tier 1. Certain generic drugs may also be covered in a non-preferred tier when efficacy, safety, or cost factors suggest that better alternatives exist on the formulary.
- Pharmacy Benefit Dimensions reserves the right to modify drug tiers as necessary.
- Some medications are considered non-formulary (not covered). To obtain a medication that is non-formulary, your health care provider is encouraged to submit a Prior Authorization request for coverage through the exception process. If the request is approved, you will be responsible for the cost share associated with a non-preferred drug tier.
- Certain self-funded employer groups may not follow this base formulary and certain exclusions may apply. Members in these pharmacy benefit management groups should refer to their summary plan description and/or their benefit administrator.

### Prior-Authorization

Prior Authorization is required for certain medications. To obtain coverage for a medication requiring Prior Authorization, a Prior Authorization request for medical exception must be submitted by your health care provider and approved by Pharmacy Benefit Dimensions. Medications that require prior authorization are listed with a “PA” in the formulary.

### Step Therapy

In some cases, you may be required to try certain medications before Pharmacy Benefit Dimensions will cover a prescribed medication to treat your medical condition. Medications that require step therapy are listed with an “ST” in the formulary.

### Quantity Limitations

Quantity limitations may apply to certain medications. Some medications are covered up to a specific quantity per fill or period of time. Medications with quantity limitations are listed with a “QL” in the formulary.

### **Specialty Medications**

Specialty medications are medications that must be filled at a specialty pharmacy. Specialty medications can include but are not limited to those that are self-injectable, require special distribution, handling and/or are in limited supply. Specialty medications are listed with an “SP” in the formulary.

### **Limited Access Medications**

Limited access medications are restricted to designated pharmacies. Limited access medications are listed with an “LA” in the formulary.

### **Reliance Rx**

Reliance Rx, Pharmacy Benefit Dimensions’ preferred specialty pharmacy, specializes in the highest quality patient-centric care for individuals with chronic conditions such as hepatitis, multiple sclerosis, cancer and rheumatoid arthritis. Reliance Rx provides a convenient way for you to receive your medication, by arranging delivery at no charge directly to your home. They can also provide you with education on the medication you’re taking, refill reminders, and even the necessary supplies, if applicable and available.

Most specialty medications and limited access medications listed on the formulary are required to be filled at Reliance Rx. Please contact Pharmacy Benefit Dimensions Member Services to determine where you need to obtain your medication. Pharmacy Benefit Dimensions Member Services can be reached at (716) 635-7880 or toll-free at 1-888-878-9172. Reliance Rx can be reached at 1-800-809-4763.

### **Age Restriction**

Some prescription medications are restricted by age limits due to safety reasons or Food and Drug Administration (FDA) approved labeling. Medications with an age limit are listed with an “AL” in the formulary.

### **Maximum Daily Dose (MDD)**

Certain medications are restricted by a maximum daily dose (MDD) as recommended by the Food and Drug Administration (FDA). Limits may be set by the number of units per day or the total daily dose.

### **Maintenance Medications**

Pharmacy Benefit Dimensions allows up to a 90-day supply of certain medications to be filled. Medications eligible for a 90-day supply are listed with an “MM” on the formulary.

### **Over-the-Counter (OTC) Medications**

Certain medications listed in the formulary are also available over the counter. A prescription is required for coverage of eligible OTC products.

### **Compounded Prescription Medications**

Compounded prescriptions (medications that are not commercially manufactured) must be prepared by a participating pharmacy and contain at least one prescription component. The dispensing pharmacy is required to submit for prior approval. If approved, the compounded prescription will be available at a Tier 2 copayment/coinsurance. Bulk products and powders are excluded from coverage because they are not prescription medication products that are approved under sections 505, 505(j) or 507 of the Federal Food, Drug and Cosmetic Act.

### **Diabetic Devices/Supplies/Equipment**

OneTouch blood glucose meters, lancets, test strips, and supplies are our preferred diabetic supplies and do not require Prior Authorization.

Test strips are limited to 100 strips per 30 days, for up to a 90-day supply. Copayments vary by plan.

OneTouch will provide a glucose meter to you with no copayment. One Touch Glucose Meters can be obtained by calling LifeScan, Inc. at 1-888-377-5227, please reference offer code 289IHA001. Please have your ID number available when you contact the manufacturer. Quantities are limited to one meter per member.

BD needles and syringes are our preferred needle/syringe products. Copayments vary by plan.

Freestyle Libre reader device and sensors are our preferred continuous glucose monitoring system supplies. For insulin-dependent members, no prior authorization is required. Freestyle Libre products are available at participating pharmacies. Copayments vary by plan.

### **Affordable Care Act (ACA)**

Preventive Services Medications listed on the formulary that are covered as preventive services under the Affordable Care Act may be covered. Certain restrictions may apply.

### **Lost/Stolen/Damaged Medications**

Replacement of any lost, stolen, or damaged medications is the responsibility of the member.

### **Dental Formulary**

Drugs covered on our Dental Formulary are available when prescribed by a dental provider. Unless otherwise specified, all products are limited to a 10-day supply with one refill. Drugs included in our Dental Formulary are listed with a "DF" on the formulary. Drugs without a "DF" will not be covered when written by a dental provider.

### **Medical Benefit Drugs**

Medical benefit drugs are medications that are typically administered by a healthcare provider, such as injections and infusions. Some medical benefit drugs are available through a retail pharmacy or specialty pharmacy but may not be listed in the formulary. Copayments for these medications vary by plan. Please contact Pharmacy Benefit Dimensions Member Services to determine if your medication is a covered benefit. Pharmacy Benefit Dimensions Member Services can be reached at (716) 635-7880 or toll-free at 1-888-878-9172.

### **Additional Formulary Information**

- Appetite suppressants/weight-loss medications are excluded from coverage.
- Medications used for cosmetic purposes are excluded from coverage.
- Medical devices (which may or may not require a prescription) are excluded from coverage.
- Medical foods other than PKU supplements (which may or may not require a prescription) are excluded from coverage.
- Prenatal vitamins classified as medical foods are not covered. Multivitamins are NOT included in the Formulary as various OTC products are available.
- Medications listed on the drug formulary as covered without restriction may require prior authorization or may not be covered if it is determined that they are being used in conjunction with a procedure or treatment not covered under the employer group's benefit design.
- Medications not recognized by the FDA without a National Drug Code (NDC) are excluded from coverage.
- Bulk products and powders are excluded from coverage.

**AFFORDABLE CARE ACT PREVENTATIVE SERVICES \*\*where applicable**

**Prescription and OTC versions (where applicable) will be covered only with a prescription written by a licensed healthcare provider.  
This list is subject to change based on national or federal guidelines and/or market availability.**

**Coverage of listed products may vary by plan.**

|   |   |
|---|---|
| Aspirin for Cardiovascular Disease Prevention <ul style="list-style-type: none"> <li>aspirin 81mg, 325mg</li> </ul>   | Aspirin will be covered for men and women (ages 50 to 59) when the benefits outweigh the potential bleeding risks for cardiovascular disease prevention.  |
| Aspirin for Pregnant Women at High Risk for Preeclampsia  | The USPSTF recommends the use of low-dose aspirin (81 mg/d) as preventive medication after 12 weeks of gestation in women who are at high risk for preeclampsia.  |
| Bowel Prep for Colonoscopy <ul style="list-style-type: none"> <li>bisacodyl, magnesium citrate, polyethylene glycol, peg 3350, Gavilyte-G, Clenpiq, Suprep, Sutab</li> </ul>  | Prescription and OTC products will be covered for adults older than age 50 and younger than age 75 receiving screening for colorectal cancer.   |
| Contraceptive Coverage  | All formulary generic and preferred brand name drugs (without a generic equivalent) will have a zero dollar (\$0) copayment. Cervical caps, diaphragms, female condoms and spermicides will have a zero (\$0) copayment. Both prescription and over-the-counter (OTC) products will be covered only when prescribed by a licensed healthcare provider.  |
| Erythromycin Ophthalmic Ointment  | Erythromycin ophthalmic ointment will be covered for newborns less than 1 year of age for the prevention of gonococcal ophthalmia neonatorum.   |
| Fluoride <ul style="list-style-type: none"> <li>fluoride chewable tablets 0.25mg, 0.5mg, 1mg, fluoride oral solution</li> </ul>   | Oral fluoride products (chewable tablets and solutions) will be covered for children 6 months of age and older who do not receive the recommended amount of fluoride in their water supply.   |
| Folic Acid Supplements  | Supplements containing 0.4mg to 0.8mg of folic acid will be covered for women who are planning or are capable of pregnancy.   |
| Persons at high risk of HIV acquisition <ul style="list-style-type: none"> <li>emtricitabine-tenofovir df 200-300mg (generic Truvada), Descovy</li> </ul>   | The USPSTF recommends that clinicians offer preexposure prophylaxis (PrEP) with effective antiretroviral therapy to persons who are at high risk of HIV acquisition.  |
| Statins <ul style="list-style-type: none"> <li>atorvastatin 10mg, 20mg</li> <li>fluvastatin 20mg, 40mg</li> <li>fluvastatin XL 80mg</li> <li>lovastatin 10mg, 20mg, 40mg</li> <li>pitavastatin 1mg, 2mg, 4mg</li> <li>rosuvastatin 5mg, 10mg</li> <li>pravastatin 10mg, 20mg, 40mg, 80mg</li> <li>simvastatin 10mg, 20mg, 40mg</li> </ul> | The USPSTF recommends that adults without a history of cardiovascular disease (CVD) use a low- to moderate-dose statin for the prevention of CVD events and mortality. Low- to moderate-dose statins will be covered at a zero dollar (\$0) copayment for those who meet the following criteria: 1) they are aged 40 to 75 years; 2) they have 1 or more CVD risk factors (ie, dyslipidemia, diabetes, hypertension, or smoking); and 3) they have a calculated 10-year risk of a cardiovascular event of 10% or greater. |
| Tobacco Cessation Products (FDA Approved)   | Prescription and OTC products will be covered for adults 18 years of age and older and for pregnant women with no age limit. The following products are covered: patches, gums, nasal sprays, inhalers, lozenges, varenicline (generic version of Chantix) and bupropion sr (generic version of Zyban).   |
| Vaccines  | Flu, Pneumonia vaccinations will be covered when administered at a network pharmacy.  |
| Women, Increased Risk for Breast Cancer <ul style="list-style-type: none"> <li>tamoxifen, raloxifene, anastrozole, exemestane, letrozole</li> </ul>   | The USPSTF recommends that clinicians offer to prescribe risk-reducing medications, such as tamoxifen, raloxifene, or aromatase inhibitors, to women who are at increased risk for breast cancer and at low risk for adverse medication effects.  |

**Key**

**AL** – Age Limit

**DF** – Dental Formulary

**LA** – Limited Access

**MM** – 90-day supply

**PA** – Prior Authorization  
Required

**QL** – Quantity Limits Apply

**SP** – Specialty Medication

**ST** – Step Therapy

## Discrimination is Against the Law

Pharmacy Benefit Dimensions is a subsidiary of Independent Health and complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Pharmacy Benefit Dimensions does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Pharmacy Benefit Dimensions:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, contact Pharmacy Benefit Dimensions' Member Services Department.

If you believe that Pharmacy Benefit Dimensions has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with: Pharmacy Benefit Dimensions' Member Services Department, P.O. Box 1642, Buffalo, NY 14231, (888)-878-9172, TTY users call 711, fax (716) 250-7163 , [servicing@pbdrx.com](mailto:servicing@pbdrx.com). You can file a grievance in person or by mail, fax, or email. If you need help filing a grievance, Pharmacy Benefit Dimensions' Member Services Department is available to help you.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at:

U.S. Department of Health and Human Services  
200 Independence Avenue, SW  
Room 509F, HHH Building  
Washington, D.C. 20201  
1-800-368-1019, 800-537-7697 (TDD)

Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.
