

## An Introduction to Independent Health's 2018 MediSource and Child Health Plus Formulary

**The following information applies to Independent Health's New York State Sponsored Plans, Child Health Plus and MediSource (Medicaid). Check your summary of benefits to ensure this formulary is associated with your plan prior to using your prescription drug benefit.**

This drug formulary lists covered generic and brand-name drugs covered under our Managed Medicaid Plans, MediSource and Child Health Plus. Independent Health makes every attempt to provide you with as accurate a listing of medications as possible. However the list of drugs and availability of generic medications can change frequently. When a generic medication becomes available for a formulary brand-name medication, the generic medication will be covered and the brand-name medication will become non-formulary and will require prior authorization to be covered. Please discuss any questions you may have about the formulary with your provider.

### **Prior-Authorization**

Independent Health requires you to get prior authorization for certain medications. To obtain coverage for a medication requiring prior authorization, a prior authorization request for medical exception must be submitted by your health care provider and approved by Independent Health's Medical Director. Medications that require Prior Authorization are listed with a "PA" in the formulary.

### **Step Therapy**

In some cases, Independent Health requires you to first try certain medications to treat your medical condition before we cover another medication for that condition. Step therapy is a way to help you get the best quality and value from your prescription medication benefit. This usually means that an equally effective generic medication is prescribed before a more expensive brand-name

medication. Step therapy may also ensure that two medications are used together if they are more effective. Medications that require Step Therapy are listed with a "ST" in the formulary.

### **Quantity Limitations**

Quantity limitations may apply to certain medications. Some medications are covered up to a specific quantity per 30 days. Some examples of medications with a quantity limitation are: sumatriptan (generic Imitrex®) and zolpidem tartrate (generic Ambien®). Medications with quantity limitations are listed with a "QL" in the formulary.

For items that come pre-packaged (for example: tube/container, inhaler device, single dose units, or liquid container), one package size is allowed per fill of these items. If a quantity limit is designated on the formulary, this restriction will take precedence over the pre-packaged limitations, when applicable.

### **Age Restriction**

Some prescription medications are restricted by age due to safety reasons or Food and Drug Administration (FDA) recommended labeling. Medications with an Age Limit are listed with an "AL" in the formulary.

### **Maximum Daily Dose (MDD)**

Certain medications are dose limited by a maximum daily dose (MDD) as recommended by the Food and Drug Administration (FDA) for safety reasons. Limits may be set by the number of tablets/capsules per day or the total daily dose.

### **Over-the-Counter (OTC) Medications**

Certain medications listed in the formulary are available over the counter. A prescription is required for coverage of the OTC products.

### **Sedative/Hypnotic Medications**

Sedative/hypnotic medications are limited for all prescribers except sleep specialists to 14 tablets/capsules per month with a maximum of 3 fills per year (3 fills/365 days).

### **Compounded Prescription Medications**

Compounded prescriptions (medications that are not commercially manufactured) must be prepared by a participating pharmacy and contain at least one prescription component. The dispensing pharmacy is required to submit for prior approval and when covered, will take the applicable copayment. Coverage is provided in accordance with our Compounding Medication Products Policy. Bulk products and powders are excluded from coverage because they are not prescription medication products that are approved under sections 505, 505(j) or 507 of the Federal Food Drug and Cosmetic Act.

### **Diabetic Supplies/Medications**

Products listed in this section are a covered benefit based on your plan. Products not listed require prior authorization. Copayments vary by plan.

BD needles and syringes are our preferred needle/syringe products.

OneTouch glucose meters, lancets, test strips, and supplies are our preferred diabetic supplies and do not require prior authorization.

OneTouch will provide a glucose meter to you with no copayment. Quantities are limited to one meter per member. You can obtain a meter by calling LifeScan, Inc. at 1-888-377-5227, offer code 289IHA001. Please have your ID number available when you call.

Diabetic test strips are limited to a maximum of 100 per fill/30 days.

FreeStyle Libre continuous glucose monitors and sensors are also available at retail pharmacies.

### **Affordable Care Act (ACA)**

#### **Preventive Services**

Medications listed on the formulary that are covered as preventive services under the

Affordable Care Act may be covered. Certain restrictions may apply.

### **Dental Formulary**

Drugs covered on our Dental Formulary are available when prescribed by a dental provider. Drugs included in our Dental Formulary are listed with a "DF" on the formulary. Drugs without a "DF" will not be covered when written by a Dental Provider.

### **Lost/Stolen/Damaged Medications and Vacation Supplies**

Replacement of any lost, stolen or damaged medications is the responsibility of the member. Vacation supplies are not covered under this benefit. Prior authorization cannot be used to obtain early refills for lost, stolen, or damaged medications; or for extended supplies or vacation supplies.

### **Emergency Room Prescriptions**

Emergency Room prescriptions are limited to a 10-day supply.

### **Enteral and Parenteral Nutritional Formulas**

Enteral Nutritional Formula and Parenteral Nutritional Formula benefit coverage is based on medical necessity and prior authorization is required. Supplies that are necessary to administer the specific type of feeding, and maintain the feeding site are covered. This includes, but is not limited to: syringes, measuring containers, tip adapters, anchoring devices, gauze pads, protective-dressing wipes, tape, and tube cleaning brushes.

### **Pharmacy Administered Immunizations**

Influenza and pneumococcal vaccinations are covered when administered by licensed pharmacists who obtain additional certification to administer influenza and pneumococcal vaccinations to adults 18 years of age and older.

**Additional Formulary Information:**

- Appetite suppressants/weight-loss medications are excluded from coverage.
- Medications used for cosmetic purposes are excluded from coverage.
- Medical foods other than PKU supplements (which may or may not require a prescription) are excluded from coverage.
- Prenatal vitamins classified as medical foods are not covered.
- Medications used for the treatment of erectile dysfunction are not covered.
- Medications used to promote fertility are not covered.
- Growth hormones are excluded from coverage when prescribed for the treatment of short stature.
- Medications that are excluded from coverage under state and/or federal law are not covered by Independent Health.
- In order to ensure the safest and most appropriate care, Independent Health's drug coverage criteria is limited to medically-accepted indications based on FDA approved labeling and guidelines not otherwise excluded from New York State Medicaid.
- Medications listed on the drug formulary as covered without restriction may require prior authorization or may not be covered if it is determined that they are being used in conjunction with a procedure or treatment not covered under the member's Health Contract.
- Medications not recognized by the FDA without a National Drug Code (NDC) are excluded from coverage.

- Generic substitution is used only as required by state pharmacy laws. Therapeutic interchange is not utilized.
- Prescriptions are generally limited to a maximum of a 30-day supply per fill.
- Diabetic Test Strips are limited to a maximum of 100 per fill/30 days.
- FreeStyle Libre continuous glucose monitors and sensors are also available at retail pharmacies.

**Key**

- AL – Age Limit
- DF – Dental Formulary
- PA – Prior Authorization Required
- PR – Prescriber Prevails
- QL – Quantity Limits Apply
- RF – Restricted to Females
- RM – Restricted to Males
- ST – Step Therapy
- XCHP – Not covered for Child Health Plus

## **MEDICAL SUPPLIES FOR MEDISOURCE MEMBERS ONLY**

*(NOT APPLICABLE TO CHILD HEALTH PLUS)*

Covered medical supplies must have a prescription.

Formulary restrictions, quantity limits, or coverage limits may apply.

### **Adhesive Tape/Remover**

Adhesive remover or solvent (for tape, cement or other adhesive), per ounce; tape, non-waterproof, per 18 square inches; tape, waterproof, per 18 square inches

### **Antiseptics**

Alcohol or peroxide, per pint; alcohol wipes, per box (100's); Betadine® or pHisoHex® solution, per pint

### **Breast Pump**

Breast pump, electric (AC/DC), any type; breast pump, manual, any type

### **Canes/Crutches/Accessories**

Cane, includes canes of all materials, adjustable or fixed, with tip; crutch forearm, includes crutches of various materials; crutch underarm; replacement handgrip, cane, crutch or walker; replacement tip, cane, crutch or walker; underarm pad, crutch replacement

### **Commode Accessories**

Bed pan, standard/fracture metal or plastic pail or pan for use with commode chair; sitz type bath or equipment; portable urinal; female jug-type, any material; male jug-type, any material

### **Diabetic Daily Care**

Alcohol or peroxide, per pint; alcohol wipes, per box (100's); infusion set for external insulin pump, needle and non-needle type; infusion set for external insulin pump, non-needle cannula type

### **Ostomy Supplies**

Ostomy supplies; pouch, belt, clamp, filter, vent, ring, face, plate, deodorant, skin barrier, misc.; adhesive remover, wipes, any type; adhesive, liquid or equal, any type, per ounce; continent devices; enema bags; irrigation supply lubricant, per ounce; stoma cap

### **Respiratory/Tracheostomy**

#### **Care Supplies**

Administration set, with small volume non-filtered pneumatic nebulizer; aerosol mask, used with DME nebulizer; canister, disposable, used with suction pump; cannula nasal face tent; cleaning device used with tracheoesophageal voice prosthesis, pipet, brush or equal, replacement only; filter, disposable and non-disposable, used with aerosol compressor, airway pressure device; holding chamber or spacer for use with an inhaler or nebulizer; nebulizer, disposable; oropharyngeal suction catheter; peak expiratory flow rate meter, hand-held; tracheostomy care kit for new tracheostomy; tracheostomy cleaning brush; tracheostomy mask; tracheostomy supplies; vaporizer, room type

#### **Heat Application**

Electric heat pad, moist or standard; hot water bottle, ice cap or collar; non-electric heating pad, moist; surgical dressing holder, reusable; surgical stockings, below knee length; surgical stockings, full length; surgical stockings, thigh length; heel or elbow protector

#### **Synthetic Sheep Skin and Decubitus**

**Care** Synthetic sheepskin pad

#### **Thermometers**

Oral thermometer, reusable, any type; rectal thermometer, reusable, any type; basal thermometer

#### **Support Goods**

Cervical, flexible, non-adjustable foam collar; slings; splint

### **Underpads/Diapers/Liners**

Adult disposable incontinence product, brief/diaper; disposable incontinence product, brief/diaper bariatric; adhesive, liquid or equal, any type, per ounce; disposable liner, shield, guard or pad undergarment for incontinence; disposable underpads, all sizes; incontinence product, diaper/brief, reusable, any size; incontinence product, protective underpad, reusable, chair size; stoma cap; pediatric sized disposable incontinence product, brief/diaper; youth sized disposable incontinence product, brief/diaper

### **Incontinence Appliances and Care Supplies**

Bedside drainage bag; extension urethral clamp or compression device; incontinence supply, misc.; indwelling catheter, Foley type; insertion tray with or without drainage bag; intermittent urinary catheter, with insertion supplies; irrigation syringe, bulb or piston; irrigation tray with bulb or piston syringe, any purpose; male external catheter; urinary catheter anchoring device, adhesive skin attachment; oral thermometer, reusable, any type; urinary catheter anchoring device, leg strap; urinary drainage bag; adhesive or non-adhesive disk or foam pad; appliance cleaner, incontinence and ostomy appliances; leg strap, foam or fabric replacement; leg strap, latex, replacement only, per set; percutaneous catheter/tube anchoring device, adhesive

### **Family Planning Products**

Contraceptive supply, condom, female; contraceptive supply, condom, male; diaphragm kit

### **Gloves**

Gloves, sterile and non-sterile

### **Diabetic Diagnostics**

Insulin pen, reusable; insulin syringes; lancets; needle, sterile, any-size; spring-powered device for lancet; supplies for self-administration; syringe with

needle, sterile; syringe, sterile; syringe, with or without needle; blood ketone test or reagent strip; urine test or reagent strips or tablets; normal, low and high calibrator solution/chips; replacement battery for use with home blood glucose monitor

### **Hearing Aids**

Battery for use in hearing device; zinc air battery for cochlear

### **Mastectomy Care**

Breast prosthesis, mastectomy bra; breast prosthesis, mastectomy foam; breast prosthesis, silicone or equal, with integral adhesive; camisole, post-mastectomy

### **Various Miscellaneous:**

Automatic blood pressure monitor; incentive spirometer; nasal aspirator; plastic strips; restraints, any type (body, chest, wrist, ankle); misc. DMS supply or accessory not otherwise specified; sterile 6-inch wood applicator w/cotton tips; surgical supply misc.; sphygmomanometer/blood pressure apparatus with cuff and stethoscope, kit; syringe/cartridge for external drug infusion pump; sterile water, saline and/or dextrose (diluent); sterile water/saline 500ml; supplies for maintenance of drug infusion catheter; alginate or other fiber gel dressing; collagen-based wound filler; collagen dressing, sterile; composite dressing, sterile; conforming bandages; contact layer, sterile; eye pad, sterile and non-sterile; eye patch, occlusive; foam dressing, wound cover; gauze pads, sterile and non-sterile; gauze, impregnated and non-impregnated; high compression bandage, elastic, knitted/woven; hydrocolloid dressing, wound cover; hydrocolloid dressing, wound filler; light compression bandage, elastic; packing strips, non-impregnated; padding bandage; self-adherent bandage, elastic; specialty absorptive dressing, wound cover; transparent film, sterile; tubular dressing, with or without elastic; zinc paste impregnated bandage

## NOTICE OF NON-DISCRIMINATION

**Independent Health** complies with Federal civil rights laws. **Independent Health** does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

**Independent Health** provides the following:

- Free aids and services to people with disabilities to help you communicate with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Free language services to people whose first language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, call **Independent Health** at 1-800-501-3439. For TTY services, call 1-800-432-1110.

If you believe that **Independent Health** has not given you these services or treated you differently because of race, color, national origin, age, disability, or sex, you can file a grievance with **Independent Health's Member Services Department** by:

- Mail: 511 Farber Lakes Drive, Buffalo, NY 14221
- Phone: 1-800-501-3439 (for TTY services, call 1-800-432-1110)
- Fax: 716-635-3504
- In person: 250 Essjay Road, Buffalo, NY 14221
- Email: [memberservice@servicing.independenthealth.com](mailto:memberservice@servicing.independenthealth.com)

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights by:

- Web: Office for Civil Rights Complaint Portal at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>
- Mail: U.S. Department of Health and Human Services  
200 Independence Avenue SW., Room 509F, HHH Building  
Washington, DC 20201  
Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>
- Phone: 1-800-368-1019 (TTY/TDD 800-537-7697)
