

QUANTITY LIMITS

This list is current as of 11/01/2016 and pertains to the following formularies:

2016 Independent Health's Medicare Advantage Individual Part D Formulary	Version 27
2016 Independent Health's Medicare Advantage Employer Group's Part D Formulary	Version 27

Independent Health has established quantity limits on certain drugs contained in our Medicare Advantage Part D Formularies. These drugs are listed with a "QL" in the Requirements/Notes column of the formularies. This means that we will provide coverage only up to the limits specified on these drugs. If you require a greater quantity than what is specified, then you, your designated representative, or your prescriber can request a review.

If you have any questions, please contact Independent Health's Medicare Member Services Department at 1-800-665-1502 or, for TTY users, 1-800-432-1110, October 1st – February 14th: Monday through Sunday from 8 a.m. to 8 p.m., February 15th – September 30th: Monday through Friday from 8 a.m. to 8 p.m.

Independent Health is a Medicare Advantage organization with a Medicare contract offering HMO, HMO-SNP, HMO-POS and PPO plans. Enrollment in Independent Health depends on contract renewal.

The Formulary may change at any time. You will receive notice when necessary.

Verbal translation of written materials is available via free interpreter services. For those with special needs, accessibility to benefit information or alternate formats of written materials are available upon request. If you have any questions, we are able to help.
