This list is current as of December 1, 2018 and pertains to the following formularies:

2018 Independent Health's Medicare Advantage Individual Part D Formulary	Version 22
2018 Independent Health's Medicare Advantage Employer Group's Part D Formulary	Version 22

Independent Health has established quantity limits on certain drugs contained in our Medicare Advantage Part D formularies. These drugs are listed with a "QL" in the Requirements/Notes column of the formulary. This means that we will provide coverage only up to the limits specified on these drugs. If you require a greater quantity than what is specified, then you, your designated representative, or your provider can request a coverage determination.

If you have any questions, please contact our Medicare Member Services Department at 1-800-665-1502 or, for TTY users 1-800-432-1110, October 1st – February 14th: Monday through Sunday from 8 a.m. to 8 p.m., February 15th – September 30th: Monday through Friday from 8 a.m. to 8 p.m.

Independent Health is a Medicare Advantage organization with a Medicare contract offering HMO, HMO-SNP, HMO-POS and PPO plans. Enrollment in Independent Health depends on contract renewal.

The formulary may change at any time. You will receive notice when necessary.
