What is Dual Eligibility?

If you have dual eligibility, it means you can get help from both Medicare and Medicaid. IHN-CCO (Medicaid) will pay for some over-the-counter (OTC) drugs listed in our drug list. Other drugs your doctor gives you will be paid by your Medicare plan. This booklet has a list of drugs we cover. It is updated as of February 1, 2026.

Your Pharmacy Benefits

We want to help you get the right OTC drugs. Many are covered by the Oregon Health Plan, but not all. You need a prescription from your doctor for the drug to be covered. Some drugs need approval first, and some have limits on how much you can get. Use this booklet to see which drugs are covered. This is called our drug list or formulary.

Getting Started with the Drug List

You can get your medicine at any pharmacy that works with IHN-CCO. Before you go:

- Ask your doctor if the drug is covered.
- If it is not, ask if there is another drug that is.
- If you still want the drug, your doctor can ask us for approval.
- We will tell you and your doctor if we say yes or no.

If we say no, we will tell you how to ask again (appeal). Our team of doctors and pharmacists checks these requests.

Filling a Prescription

- You can get your medicine at any pharmacy in our network. See the list at IHNtogether.org/Prescriptions.
- Show your IHN-CCO Member ID card.
- If the drug is covered or approved, you do not have to pay. If the pharmacy asks you to pay, call Customer Service first.

How to Use the Drug List

You can find your drug in two ways:

1. By medical condition – Drugs are grouped by what they treat.
2. Alphabetically – Use the index to find drugs from A to Z.

Generic Drugs

Generic drugs work the same as brand name drugs. If a generic is available, we usually do not cover the brand name.

Drug Rules

Some drugs have rules:

- Prior Authorization (PA): You need approval before getting the drug.
- Quantity Limits (QL): We may limit how much you can get.

Drugs Not on the List

We usually do not cover drugs not on our list. But your doctor can ask us to cover one if:

- You need it for a medical reason.
- Other drugs on the list did not work for you.

Drugs We Do Not Cover

We do not cover:

- Drugs not approved by the FDA.
- Drugs for conditions not covered by the Oregon Health Plan.
- Drugs for looks (cosmetic).
- Drugs to help with pregnancy.
- Drugs for sexual problems.
- Drugs for weight loss.
- Drugs used in tests or experiments.

Extra Drug Supply

We may give you extra medicine if:

- Your drug is lost, stolen, or spilled.
- You are traveling.
- You need extra for work or school.
- Your dose has changed.

Emergency Supply

If you need a drug that is not covered or has rules, your doctor or pharmacist can ask for a 5-day emergency supply. Call Customer Service to ask for it.
