

Listado Nacional Directo de Medicamentos

Lista de medicamentos — Plan de medicamentos de cinco niveles

Su beneficio de prescripción viene con una lista de medicamentos, que también se llama formulario. Esta lista se compone de nombre de marca y medicamentos genéricos recetados aprobados por la Administración de Alimentos y Medicamentos de los Estados Unidos (FDA).

Aquí hay algunas cosas para recordar acerca de la lista:

- Usted y su médico pueden usarlo como guía para elegir los medicamentos que sean mejores para usted. Es posible que los medicamentos que no están en esta lista no estén cubiertos por su plan y le cuesten más de su bolsillo.
- Su cobertura tiene limitaciones y exclusiones, lo que significa que hay ciertas reglas sobre lo que está cubierto por su plan y lo que no. Para obtener más información, vea su Certificado/Evidencia de cobertura o su Descripción resumida del plan iniciando sesión en anthem.com y vaya a Mi plan -> **Beneficios-> Documentos del plan**.
- Para ayudarlo a ver cómo funciona la lista de medicamentos con su beneficio de medicamentos, hemos incluido algunas preguntas frecuentes (FAQ) sobre cómo está configurada la lista y qué hacer si un medicamento que toma no está en ella.
- Este folleto se actualiza trimestralmente. Para ver la lista más actualizada de medicamentos para su plan, incluidos los medicamentos que se han agregado, los medicamentos genéricos y más, inicie sesión en anthem.com/pharmacyinformation.

Si tiene preguntas sobre sus beneficios de farmacia, estamos aquí para ayudarlo. Simplemente llámenos al Miembro de Farmacia Número de servicios en su tarjeta de identificación.

Preguntas frecuentes

¿Qué es una lista de medicamentos?

La lista de medicamentos, también llamada formulario, es una lista de medicamentos recetados que cubre su plan. Incluye medicamentos de marca y genéricos aprobados por la FDA.

¿Cuál es la diferencia entre los medicamentos de marca y los genéricos?

Un **medicamento de marca** está aprobado por la FDA y generalmente está disponible en una sola compañía. Puede estar protegido por una patente, lo que significa que solo puede ser fabricado o vendido por la empresa que tiene la patente.

Los medicamentos de marca están en **MAYÚSCULAS, negrita** en la lista de medicamentos.

Un **medicamento genérico** también está aprobado por la FDA. Tiene los mismos ingredientes activos y funciona igual que el medicamento de marca. Un medicamento genérico generalmente está disponible solo después de que finaliza la patente del medicamento de marca.

Los medicamentos genéricos están en minúsculas, tipo simple en la lista de medicamentos.

¿Es esta una lista completa de todos los medicamentos cubiertos?

Sí, esta lista incluye todos los medicamentos cubiertos por su plan.

¿Por qué no se incluyen ciertos medicamentos?

Hay reglas que afectan qué medicamentos cubre su plan y cuáles no. Estas limitaciones y exclusiones se enumeran en su *Evidencia de cobertura (EOC)* y en la *Descripción resumida del plan (SPD)*. Para acceder a ellos, inicie sesión en anthem.com y vaya a **Mis planes > Documentos médicos > del plan**.

¿Cómo puedo encontrar un medicamento en la lista?

Las alfombras D están organizadas por su clase de drogas, también llamada clase terapéutica.

Veo un nivel al lado de cada medicamento. ¿Qué significan los niveles?

La lista de medicamentos se configura en tres niveles o niveles. Colocamos los medicamentos en diferentes niveles en función de:

- Qué tan bien funcionan para mejorar la salud.
- Si hay opciones de venta libre (OTC) disponibles.
- Sus costos en comparación con otros medicamentos utilizados para el mismo tipo de tratamiento.

¿Cómo afectan los niveles a cuánto cuesta un medicamento?

Cuanto más bajo sea el nivel, menor será su parte del costo. Aquí hay un desglose de los niveles en su plan:

- Los medicamentos de nivel 1 tienen el costo compartido más bajo para usted. Por lo general, estos son medicamentos genéricos que ofrecen el mejor valor en comparación con otros medicamentos que tratan las mismas afecciones.
 - Los medicamentos de nivel 1a tienen el costo compartido más bajo. Estos son a menudo medicamentos genéricos que ofrecen el mayor valor en comparación con otros que tratan las mismas condiciones.
 - Los medicamentos de nivel 1b tienen una participación de bajo costo. Por lo general, estos son medicamentos genéricos que ofrecen el mayor valor en comparación con otros que tratan las mismas afecciones.
- Los medicamentos de Nivel 2 tienen un costo compartido más alto que el Nivel 1. Pueden ser medicamentos de marca preferidos, según lo bien que funcionen y su costo en comparación con otros medicamentos utilizados para el mismo tipo de tratamiento. Algunos son medicamentos genéricos que pueden costar más porque son más nuevos en el mercado.
- Los medicamentos de nivel 3 tienen el costo compartido más alto. A menudo incluyen medicamentos de marca y genéricos no preferidos. Pueden costar más que los medicamentos en niveles inferiores que se usan para tratar la misma afección. El Nivel 3 también puede incluir medicamentos que fueron aprobados recientemente por la FDA o medicamentos especializados que se usan para tratar afecciones de salud graves a largo plazo y que pueden necesitar un manejo especial.

- Los medicamentos de nivel 4 tienen el costo compartido más alto y generalmente incluyen medicamentos de marca especializados y genéricos. Pueden costar más que los medicamentos en niveles inferiores que se usan para tratar la misma afección. El Nivel 4 también puede incluir medicamentos recientemente aprobados por la FDA o medicamentos especializados utilizados para tratar afecciones de salud graves a largo plazo y que pueden necesitar un manejo especial.
- Los medicamentos de nivel 5 tienen el costo compartido más alto. Los medicamentos en este nivel son medicamentos genéricos y de marca especializada no preferidos. El Nivel 5 también puede incluir medicamentos recientemente aprobados por la FDA o medicamentos especializados utilizados para tratar afecciones de salud graves a largo plazo y que pueden necesitar un manejo especial.

¿Cómo sabré si mi medicamento está cubierto y cuánto me costará?

A través de Internet, con la herramienta [Precios de medicamentos](#), puede obtener información sobre la cobertura y los precios de los medicamentos de una serie de farmacias minoristas de su código postal.

Si un medicamento que tomo no está en la lista, ¿cuáles son mis opciones?

Aquí hay cosas en las que pensar:

- Si desea tomar un medicamento que no está en la lista de medicamentos, es posible que tenga que pagar el costo total del mismo.
- Su plan puede cubrir otro medicamento de marca o genérico que funcione igual de bien. Puede buscar actualizaciones recientes sobre medicamentos genéricos en [anthem.com](#).
- Hable con un médico o farmacéutico para ver si los medicamentos de venta libre (OTC) son una opción. Los medicamentos de venta libre no están incluidos en la lista de medicamentos.
- Si un medicamento que toma no está cubierto, su médico puede pedirnos que revisemos su cobertura. Este proceso se **denomina aprobación previa o autorización previa**. El médico puede comenzar el proceso llamando al número de Servicios para Miembros de Farmacia que figura en su tarjeta de identificación de miembro o descargando un formulario de autorización previa de nuestro sitio web. Si aprobamos la solicitud, la cantidad que pague por el medicamento dependerá del beneficio de su plan.
Solo usted y su médico pueden decidir qué medicamentos son mejores para usted.
- Si el anticonceptivo que está tomando no está en el formulario, su médico puede comunicarse con nosotros si es médicaamente necesario porque los anticonceptivos preferidos son inapropiados para usted, y renunciaremos a su costo compartido.

¿Qué debo buscar en la columna Notas?

Si un medicamento necesita aprobación previa o autorización previa, verá "PA" al lado. Si necesita probar otro medicamento primero, que se llama terapia escalonada, verá "ST" al lado.

¿Quién decide qué medicamentos incluir en la lista?

Los medicamentos en la lista se revisan a través de nuestro proceso de Farmacia y Terapéutica (P&T). En este proceso, un grupo de médicos, farmacéuticos y profesionales de la salud independientes decide qué medicamentos incluimos. El grupo se reúne regularmente para revisar los medicamentos nuevos y existentes. Recomiendan medicamentos en función de su seguridad, qué tan bien funcionan para mejorar la salud y el valor que ofrecen a nuestros miembros.

¿Cambia la lista de medicamentos? ¿Cómo sabré si lo hace?

Los medicamentos en nuestra lista se revisan regularmente. A veces se agregan, quitan o mueven a un nivel diferente. Le enviaremos una carta si un medicamento que toma se elimina de la lista y, en algunos casos, si un medicamento que toma se mueve a un nivel superior. Le informaremos si un medicamento que toma se elimina de la lista y, en algunos casos, si un medicamento que toma se mueve a un nivel superior. Siempre puede revisar la lista de medicamentos para asegurarse de que los medicamentos que toma todavía estén en ella. Para acceder a la lista de medicamentos más actualizada, inicie sesión en [anthem.com](#).

¿Mi plan cubre medicamentos preventivos?

Cubrimos medicamentos de atención preventiva con costo compartido cero en cumplimiento con la Ley de Cuidado de Salud a Bajo Precio (ACA) cuando se cumplen criterios específicos.

¿Cómo puedo encontrar una farmacia en mi plan?

Vaya a anthem.com para encontrar una farmacia cerca de usted.

Términos clave

Aquí hay algunos términos y notas que encontrará en la lista de medicamentos.

Los medicamentos de marca están en MAYÚSCULAS, negrita.

Los medicamentos genéricos están en minúsculas, tipo simple.

\$0 = medicamentos preventivos. Para algunos miembros, este producto puede estar cubierto al 100% con un costo compartido de \$0 con un Receta de su proveedor si se cumplen los criterios especificados.

AL = límites de edad. Algunos medicamentos requieren una autorización previa si su edad no se ajusta a las recomendaciones clínicas, del fabricante del medicamento o de la Administración de Alimentos y Medicamentos (FDA).

BE = exclusión de prestaciones. Este medicamento puede no estar cubierto en función del diseño de su plan. Para saber si su medicamento está cubierto, inicie sesión en el portal del afiliado o utilice la aplicación Sydney para [Precios de medicamentos](#) y consulte los documentos de su plan.

DO = optimización de la dosis. Por lo general, esto significa que es posible que tenga que cambiar de tomar un medicamento dos veces al día a tomarlo una vez al día con una concentración más alta.

LD = distribución limitada. Estos medicamentos están disponibles solo a través de ciertas farmacias o mayoristas, dependiendo de lo que decida el fabricante.

PA = autorización previa. Es posible que deba obtener la aprobación de beneficios antes de que se puedan surtir ciertas recetas.

QL = límites de cantidad. Hay límites en la cantidad de medicamento cubierto dentro de un cierto período de tiempo.

SP = medicamentos especializados. Los medicamentos especializados se usan para tratar afecciones difíciles a largo plazo. Es posible que necesite obtener este medicamento a través de una farmacia especializada.

ST = terapia escalonada. Es posible que deba usar otro medicamento recomendado primero antes de que un medicamento recetado esté cubierto.

Recursos de farmacia en línea

Encuentre la farmacia de su red más cercana, obtenga la información de cobertura más actualizada en su lista de medicamentos, incluidos detalles sobre el precio de sus medicamentos, marcas y genéricos, opciones de dosis / concentración y mucho más, cuando inicie sesión en [anthem.com](#)

Una nota sobre los analgésicos opioides: En respuesta a la epidemia de opioides, la Administración de Alimentos y Medicamentos de los Estados Unidos (FDA) alentó el desarrollo de analgésicos que previenen el uso indebido. Usted puede pagar menos por estos tipos de opioides en ciertos estados.

Los medicamentos pueden ser excluidos de la lista según el diseño de beneficios de su plan.

Anthem Blue Cross and Blue Shield es el nombre comercial de Anthem Health Plans, Inc. Concesionario independiente de Blue Cross and Blue Shield Association. Anthem es una marca registrada de Anthem Insurance Companies, Inc.
