

Keystone 65 Rx HMO, Personal Choice 65SM Rx PPO, and Select Option[®] Rx PDP Plans 2027 Step Therapy Guidelines

This document contains important information about some of the drugs we cover in your health plan.

At Independence Blue Cross (IBX), we try to help keep your medications as affordable as possible.

One way we do this is by asking you to use pharmacies in our network. Another way is through a process called **step therapy**.

This document explains:

- What step therapy is
- Which drugs it applies to
- What to do if your drug is affected

This document was last updated on 9/1/2026. For the most up-to-date information, or if you have questions, we're here to help.

You can call **1-888-678-7009** (TTY/TDD: **711**) **seven days a week, 8 a.m. to 8 p.m.** From April 1 through September 30, calls on weekends and holidays may go to voicemail.

You can also visit ibxmedicare.com to search your drug list (formulary) or view and download any other plan documents.

What is step therapy?

For some health conditions, there may be more than one drug that can help. It often makes sense to start with a drug that costs less but is still safe and may work well for you.

Step therapy means:

- You may need to try **drug A** before we cover **drug B**.
- If **drug A** works for you, you can keep using it.
- If **drug A** does not work, your doctor can ask us to cover **drug B**.
- If we approve that request, we will cover **drug B**.

If you or your doctor believes that **drug A** doesn't make sense for you, you can ask us:

- To make an exception, or
- About other drugs that may work for you

You can find a list of drugs that require step therapy in this document.

You can also find more details in your plan's *Formulary* (drug list) and your *Evidence of Coverage*.

How to use this document

Find your drug in the index on page **15**. Then read all the information listed for that drug.

If your drug has "ST" in the "Requirements" column of your health plan's drug formulary, you can find more details in this document.

In this document:

- "We," "us," and "our" mean Independence Blue Cross.
- "Plan" and "our plan" mean Select Option Rx.

Independence Blue Cross offers PPO, HMO-POS, and HMO Medicare Advantage plans with a Medicare contract. Enrollment in Independence Blue Cross PPO, HMO-POS, and HMO Medicare Advantage plans depends on contract renewal. Select Option is a PDP plan with a Medicare contract. Enrollment in Select Option PDP depends on contract renewal.

Independence Blue Cross offers products through its subsidiaries and affiliates including Independence Assurance Company, Independence Hospital Indemnity Plan, Keystone Health Plan East, and QCC Insurance Company — independent licensees of the Blue Cross and Blue Shield Association.
