B. Preguntas frecuentes

Encuentre aquí las respuestas a las preguntas que tenga sobre esta *Lista de medicamentos cubiertos*. Puede leer todas las preguntas frecuentes para conocer más o buscar una pregunta y su respuesta.

Si tiene alguna pregunta, por favor llame a Tufts Health Unify al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m. La llamada es gratuita. **Para obtener más información**, visite TuftsHealthUnify.org.

B1. ¿Qué medicamentos de receta se encuentran en la *Lista de medicamentos cubiertos*? (Llamamos "Lista de medicamentos" a la *Lista de medicamentos cubiertos*)

Los medicamentos de la *Lista de medicamentos cubiertos* que comienza en la página 3 son los medicamentos cubiertos por Tufts Health Unify. Estos medicamentos están disponibles en las farmacias de nuestra red. Una farmacia está en nuestra red si tenemos un contrato con ella para que trabaje con nosotros y le proporcione servicios a usted. A estas farmacias las llamamos "farmacias de la red".

- Tufts Health Unify cubrirá todos los medicamentos de la Lista de medicamentos si:
 - Su médico u otro proveedor médico dice que usted necesita para mejorar o para seguir sano, **y**
 - Tufts Health Unify está de acuerdo con que el medicamento es médicalemente necesario para usted, **y**
 - Usted surte la receta en una farmacia de la red de Tufts Health Unify.
- En algunos casos, usted tiene que hacer algo antes de que pueda obtener un medicamento (lea la pregunta B4 más abajo.).

También puede ver una lista actualizada de los medicamentos que cubrimos en nuestro sitio web en Tufts Health Unify.org o llame a Servicios al miembro al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m.

B2. ¿La Lista de medicamentos cambia alguna vez?

Sí, y Tufts Health Unify debe seguir las reglas de Medicare y MassHealth cuando se realicen los cambios. Podríamos agregar o retirar medicamentos de la Lista de medicamentos durante el año.

También podemos cambiar nuestras reglas sobre medicamentos. Por ejemplo, podemos:

- Decidir exigir o no la aprobación previa para un medicamento. (La aprobación previa es el permiso de Tufts Health Unify antes de que usted pueda obtener un medicamento.)
- Agregar o cambiar la cantidad de un medicamento que usted puede obtener (llamada límites de cantidad).
- Agregar o cambiar restricciones a la terapia escalonada a un medicamento. (Terapia escalonada significa que deberá probar un medicamento antes de que cubramos otro medicamento.)

Para obtener más información de estas reglas sobre medicamentos, lea la pregunta B4.

Si usted está tomando algún medicamento que estuvo cubierto al **principio** del año, por general no le quitamos o cambiamos la cobertura de ese medicamento **durante el resto del año**, a menos que:

- Un medicamento nuevo y más económico que es igual de eficiente que un medicamento que se encuentra actualmente en la Lista de medicamentos llega al mercado, o
- Nos damos cuenta de que un medicamento no es seguro, o
- Un medicamento es eliminado del mercado.

Las preguntas B3 y B6 de más abajo tienen más información sobre lo que sucede cuando cambia la Lista de medicamentos.

- Usted siempre puede revisar la Lista de medicamentos actualizada de Tufts Health Unify en internet en TuftsHealthUnify.org.
- También puede llamar a Member Services para revisar la Lista de medicamentos actual al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m.

B3. ¿Qué sucederá cuando hay un cambio en la Lista de medicamentos?

Algunos cambios a la Lista de medicamentos ocurren **inmediatamente**. Por ejemplo:

- **Un medicamento genérico nuevo llega a estar disponible.** A veces, un nuevo medicamento genérico que es igual de eficiente que un medicamento de marca que se encuentra actualmente en la Lista de medicamentos llega al mercado. Cuando eso ocurre, podemos eliminar el medicamento de marca y agregar el nuevo medicamento genérico, pero su costo para el medicamento nuevo será el mismo.

Cuando agregamos el medicamento genérico nuevo, también podemos decidir mantener el medicamento de marca en la lista, pero cambiar sus reglas o límites de cobertura.

- Es posible que no le notifiquemos cuando se haga este cambio, pero le mandaremos información sobre el cambio específico que hemos hecho una vez realizado.
- Usted o su proveedor pueden solicitar una excepción de estos cambios. Le mandaremos una notificación con los pasos que puede tomar para solicitar una excepción. Por favor lea la pregunta B10 para más información sobre excepciones.
- **Un medicamento es eliminado del mercado.** Si la Administración de alimentos y medicamentos (FDA) dice que algún medicamento no es seguro o si el fabricante

 **Si tiene alguna pregunta**, por favor llame a Tufts Health Unify al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m. La llamada es gratuita. **Para obtener más información**, visite TuftsHealthUnify.org.

del medicamento lo retira del mercado, lo retiraremos de la Lista de medicamentos. Si está tomando el medicamento, se lo haremos saber. Llame a su médico u otro profesional que escribe recetas para considerar medicamentos alternativos y pedir una nueva receta.

Podemos hacer otros cambios que pueden afectar los medicamentos que usted toma.

Podemos notificarle por adelantado sobre esos otros cambios a la Lista de medicamentos. Estos cambios pueden ocurrir si:

- La FDA publica nuevas directrices o hay nuevos lineamientos clínicos sobre un medicamento.
- Agregamos un medicamento genérico que no es nuevo en el mercado **y**
 - Reemplazamos un medicamento de marca actualmente en la Lista de medicamentos **o**
 - Cambiamos las reglas de cobertura o los límites del medicamento de marca.

Cuando ocurren estos cambios:

- Le informaremos al menos 30 días antes de que realicemos el cambio en la Lista de medicamentos **o**
- Le informaremos y le proporcionaremos un suministro para 30 días del medicamento luego de que usted solicite un nuevo surtido.

Esto le dará tiempo para hablar con su médico o con otra persona que recete medicamentos. Ellos pueden ayudarle a decidir:

- Si hay algún otro medicamento similar en la Lista de medicamentos que usted pueda tomar en su lugar **o**
- Si pedir una excepción a estos cambios. Para obtener más información sobre excepciones, consulte la pregunta B10.

B4. ¿La cobertura de medicamentos tiene alguna restricción o límite o hay que hacer algo en particular para obtener ciertos medicamentos?

Sí, algunos medicamentos tienen reglas de cobertura o tienen límites a la cantidad que usted puede obtener. En algunos casos, usted, su médico u otro proveedor tendrán que hacer algo antes de poder obtener el medicamento. Por ejemplo:

- **Autorización previa (o aprobación previa):** Para algunos medicamentos, usted, su médico u otro profesional de la salud deben obtener una aprobación de Tufts Health Unify antes de que usted surta su receta. Tufts Health Unify podría no cubrir el medicamento si usted no obtiene aprobación.
- **Límites de cantidad:** A veces Tufts Health Unify puede limitar la cantidad de un medicamento que usted puede obtener.
- **Terapia escalonada:** A veces Tufts Health Unify requiere que usted pase por una terapia escalonada. Esto significa que usted tendrá que probar los medicamentos para su enfermedad en un cierto orden. Usted podría tener que probar un medicamento antes que cubramos otro medicamento. Si a su médico le parece que el primer medicamento no funciona para usted, entonces cubriremos el segundo.

Usted puede verificar si su medicamento tiene algún requisito adicional, leyendo los cuadros que comienzan en la página 3. Usted también puede obtener más información yendo a nuestro sitio web en TuftsHealthUnify.org. Hemos puesto en internet un documento que explica nuestras restricciones para autorizaciones previas y terapias escalonadas. También puede pedirnos que le envíemos una copia.

Usted puede pedir una excepción a esos límites. Esto le dará tiempo para hablar con su médico u otro proveedor médico. Ellos podrán ayudarle a decidir si hay algún otro medicamento similar en la Lista de medicamentos que usted pueda que usted pueda tomar en su lugar o si tiene que pedir una excepción. Por favor lea las preguntas B10-B12 para más información sobre las excepciones.

Si tiene alguna pregunta, por favor llame a Tufts Health Unify al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m. La llamada es gratuita. **Para obtener más información,** visite TuftsHealthUnify.org.

B5. ¿Cómo sabrá si el medicamento que usted quiere tiene límites o si tiene que hacer algo para obtenerlo?

La *Lista de medicamentos cubiertos* de la página 3 tiene una columna llamada “Medidas necesarias, restricciones o límites de uso.”

B6. ¿Qué sucederá si cambiamos nuestras reglas sobre algunos medicamentos (por ejemplo, requisitos de autorización (aprobación) previa, límites de cantidad y/o restricciones de terapia escalonada)?

En algunos casos, le avisaremos por adelantado si agregamos o cambiamos requisitos de autorización previa, límites de cantidad y restricciones de terapia escalonada a un medicamento. Para más información sobre esta notificación por adelantado y situaciones cuando no le notificaremos por adelantado cuando nuestras reglas sobre los medicamentos en la Lista de medicamentos cambian, por favor lea la pregunta B3.

B7. ¿Cómo puede encontrar un medicamento en la Lista de medicamentos?

Existen dos maneras de encontrar un medicamento:

- Puede buscar por orden alfabético, o
- Puede buscar por enfermedad.

Para buscar **por orden alfabético**, vaya la sección del Índice de medicamentos cubiertos. Puede encontrarlo pagina 85.

Para buscar **por enfermedad**, busque la sección titulada “Medicamentos agrupados por tipos de enfermedades” que comienza en la página 3. Los medicamentos de esta sección están agrupados en categorías, de acuerdo con el tipo de enfermedades para las que se usan como tratamiento. Por ejemplo, si tiene un padecimiento del corazón, usted debe buscar en la categoría, Agentes cardiovasculares: Medicamentos para tratar condiciones relacionadas con el corazón como hipertensión arterial y alto colesterol. Ahí encontrará medicamentos para tratar los padecimientos del corazón.

B8. ¿Qué pasa si el medicamento que usted quiere tomar no está en la Lista de medicamentos?

Si usted no encuentra su medicamento en la Lista de medicamentos, llame a Servicios al miembro al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m. y pregunte por él. Si se entera que Tufts Health Unify no cubrirá el medicamento, usted puede hacer algo de lo siguiente:

- Pida a Servicios al miembro una lista de medicamentos similar al que quiera tomar. Luego, muestre la lista a su médico u otro proveedor médico. Éste podrá recetarle un medicamento similar al de la Lista de medicamentos que usted quiere tomar. O
-

- Usted también puede pedir al plan de seguro médico que haga una excepción para cubrir su medicamento. Por favor lea las preguntas B10-B12 para más información sobre las excepciones.

B9. ¿Qué pasa si usted es un miembro nuevo de Tufts Health Unify y no puede encontrar su medicamento en la Lista o tiene problemas para obtener su medicamento?

Podemos ayudarlo. Podemos cubrir un suministro de 30 días de su medicamento durante los primeros 90 días que usted comienza como miembro de Tufts Health Unify. Esto le dará tiempo para hablar con su médico u otro proveedor médico. Ellos podrán ayudarle a decidir si hay algún otro medicamento similar en la Lista de medicamentos que usted pueda tomar en su lugar o si tiene que pedir una excepción.

Si su receta es escrita por menos de los días indicados, le permitiremos múltiples suministros hasta un máximo de 30 días de su medicamento.

Cubriremos un suministro de 30 días de su medicamento si:

- Usted está tomando algún medicamento que no esté en nuestra Lista de medicamentos, o
- Las reglas del plan de seguro médico no le permiten obtener la cantidad recetada por su proveedor médico, o
- El medicamento requiere aprobación previa de Tufts Health Unify, o
- Usted toma algún medicamento que forme parte de una restricción de terapia escalonada.

Si está tomando un medicamento que Tufts Health Unify no considera como un medicamento de la Parte D, usted tendrá derecho a obtener un suministro único del medicamento para 72 horas. Puede encontrar más información sobre cómo obtener un suministro temporal de un medicamento en el Capítulo 5 de su *Manual del miembro*.

Si está en un hogar para personas de la tercera edad u otra institución de cuidados a largo plazo, y necesita un medicamento que no está en la Lista de medicamentos o si no puede obtener el medicamento que necesita, podemos ayudarle. Si usted ha estado en el plan por más de 90 días, vive en una institución de cuidados a largo plazo, y necesita su suministro de inmediato:

- Le cubriremos un suministro de 31 días del medicamento que necesite (a menos que tenga una receta medicamento que necesite (a menos que tenga una receta para menos días)), aunque sea o no sea un nuevo miembro de Tufts Health Unify.
- Esto es adicional al suministro temporero durante los primeros 90 días de ser miembro de Tufts Health Unify.

Si tiene alguna pregunta, por favor llame a Tufts Health Unify al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. a 8 p.m. La llamada es gratuita. **Para obtener más información**, visite TuftsHealthUnify.org.

- Como miembro actual de Tufts Health Unify, si resulta admitido o es dado de alta de una institución de atención a largo plazo y experimenta un cambio inesperado de medicamento, puede solicitar que aprobemos una receta transitoria por única vez del medicamento que no está cubierto para permitir que tenga tiempo para consultar a su médico sobre un plan de transición. Su médico también puede solicitar una excepción a la cobertura del medicamento no cubierto basado en la revisión de la necesidad médica luego del proceso estándar de excepción indicado anteriormente. La “primera receta” transitoria será una cantidad para hasta 31 días, pero podría extenderse para permitirle a usted y a su médico el tiempo para atender las complejidades de múltiples medicamentos o cuando lo justifiquen circunstancias especiales. Usted puede solicitar una receta transitoria llamando al departamento de servicios para miembros de Tufts Health Unify al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m.
-

B10. ¿Puede pedir una excepción para cubrir su medicamento?

Sí. Usted puede pedir que Tufts Health Unify haga una excepción para cubrir un medicamento que no esté en la Lista de medicamentos.

También puede pedirnos cambiar las reglas sobre su medicamento.

- Por ejemplo, Tufts Health Unify podría limitar la cantidad que cubrirá de un medicamento. Si su medicamento tiene un límite, usted puede pedirnos que cambiemos el límite y cubramos más.
 - Otros ejemplos: Usted puede pedirnos que retiremos las restricciones de terapia escalonada o de autorización previa.
-

B11. ¿Cómo puede pedir una excepción?

Para pedir una excepción, llame a Servicios al miembro trabajará con usted y su proveedor para ayudarle a pedir una excepción. Usted también puede leer el Capítulo 9, del *Manual del miembro*, para más información sobre excepciones.

B12. ¿Cuánto tiempo tomará obtener una excepción?

Antes que nada, debemos recibir una declaración de su proveedor apoyando su pedido de excepción. Para presentar una solicitud, su proveedor o usted puede solicitar una excepción de cobertura por correo, fax, comunicándose con Servicios para Miembros o enviando una solicitud a través del sitio web de Tufts Health Unify. Puede enviar un correo a:

Tufts Health Plan
ATTN: Pharmacy Utilization Management Department
705 Mount Auburn Street
Watertown, MA 02472

Después de recibir la declaración, tomaremos una decisión sobre su pedido de excepción a más tardar en 72 horas. Si usted o su proveedor médico piensan que su salud podría deteriorarse si tiene que esperar 72 horas para obtener una decisión, usted puede pedir una excepción acelerada. Ésta es una decisión más rápida. Si su proveedor médico apoya su pedido, le daremos una decisión a más tardar 24 horas después de recibir la declaración de apoyo de su proveedor médico.

Si tiene alguna pregunta, por favor llame a Tufts Health Unify al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m. La llamada es gratuita. **Para obtener más información**, visite TuftsHealthUnify.org.

C. Resumen de la *Lista de medicamentos cubiertos*

La siguiente lista de medicamentos cubiertos le da la información sobre los medicamentos cubiertos por Tufts Health Unify. Si usted tiene dificultades para encontrar su medicamento en la lista, pase al Índice de medicamentos cubiertos que comienza en la página 85. El índice alfabético enumera todos los medicamentos cubiertos por Tufts Health Unify.

La primera columna de la tabla contiene el nombre del medicamento. Los medicamentos de marca están en mayúsculas (por ejemplo, Entresto) y los medicamentos genéricos están en letras cursivas en minúsculas (por ejemplo, *Isonpril*).

La información de la columna “Medidas necesarias, restricciones o límites de uso” indica si Tufts Health Unify tiene reglas para cubrir su medicamento.

Nota: El (*) junto a un medicamento significa que el medicamento no es un “medicamento de la Parte D”. El monto que paga cuando rellena una receta para este medicamento no cuenta para el costo total de sus medicamentos (es decir, el monto que paga no le ayuda a calificar para una cobertura catastrófica).

- Además, si está recibiendo Ayuda adicional para pagar sus recetas, usted no recibirá ninguna Ayuda adicional para pagar estos medicamentos. Para más información sobre Ayuda adicional, por favor lea la información en el recuadro abajo.

Si tiene alguna pregunta, por favor llame a Tufts Health Unify al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m. La llamada es gratuita. **Para obtener más información**, visite TuftsHealthUnify.org.

Ayuda adicional es un programa de Medicare que ayuda a personas con ingresos y recursos limitados a reducir sus gastos asociados con los medicamentos de receta de la Parte D de Medicare, como las primas, deducibles, y copagos. A Ayuda adicional también se le llama “Subsidio por bajos ingresos”, o “LIS.”

- Estos medicamentos tienen diferentes reglas para apelaciones. Una apelación es una manera formal de pedir que revisemos una decisión que tomamos sobre su cobertura y que la cambiemos si le parece que hemos cometido un error. Por ejemplo, podríamos decidir que un medicamento que usted quiere no está cubierto o que ya no está cubierto por Medicare o MassHealth.
- Si usted o su médico no están de acuerdo con nuestra decisión, usted puede apelar.
- Si usted tiene alguna pregunta, llame a Servicios al miembro al **1.855.393.3154** (TTY: 711), siete días de la semana, de 8 a.m. 8 p.m. Usted también puede leer el Capítulo 9 del *Manual del miembro* para aprender como apelar una decisión.

C1. Medicamentos agrupados por tipos de enfermedades

Los medicamentos de esta sección están agrupados en categorías de acuerdo con el tipo de enfermedad para la que se usan como tratamiento. Por ejemplo, si usted tiene una enfermedad del corazón, usted debe buscar en la categoría Agentes cardiovasculares: Medicamentos para tratar condiciones relacionadas con el corazón como hipertensión arterial y alto colesterol. Ahí encontrará los medicamentos que traten enfermedades del corazón.

Estos son los significados de los códigos usados en la columna “Medidas necesarias, restricciones o límites de uso”:

QL = Límite de cantidad: Esto limita el suministro del medicamento que usted puede obtener.

PA (por sus siglas en inglés) = Autorización (aprobación) previa: Usted deberá tener la aprobación del plan antes de poder obtener este medicamento.

ST (por sus siglas en inglés) = Tratamiento progresivo: Usted deberá probar otro medicamento antes de poder obtener éste.

NEDS (por sus siglas en inglés) = Medicamento suministrado sin extensión: Para poder reducir los costos de los medicamentos, ciertos medicamentos de alto costo se limitarán a una cantidad de 30 días por receta.

SP (por sus siglas en inglés) = Disponible a través de un proveedor designado especial de farmacia. Usted tiene la opción de obtener este medicamento a través de un proveedor de farmacia de especialidades. Estas farmacias se especializan en suministrar una cantidad selecta de medicamentos directamente a nuestros miembros. Proveen entrega gratuita a su domicilio, apoyo educacional 24/7 por teléfono, apoyo de enfermeras y farmacéuticos y colaborarán estrechamente con su médico. Los medicamentos incluyen, pero no se limitan, a medicamentos usados en el tratamiento de la esclerosis múltiple, hepatitis C, artritis reumatoide y cánceres tratados con medicamentos administrados por vía oral.
