

## STEP THERAPY CRITERIA

This list is current as of October 1, 2024, and pertains to the following formularies:

2025 Pharmacy Benefit Dimensions PDP Part D Formulary Provided by City of Stamford
---

In some cases, we require that you first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B. This document contains the Step Therapy protocols that are associated with the formularies listed above.

If you have any questions, please contact our Medicare Member Services Department at 1-800-667-5936 or, for TTY users 711, October 1<sup>st</sup> – March 31<sup>st</sup>: Monday through Sunday from 8 a.m. to 8 p.m. ET, April 1<sup>st</sup> – September 30<sup>th</sup>: Monday through Friday from 8 a.m. to 8 p.m. ET.
