2025 Pharmacy Benefit Dimensions 5 Tier Select Drug Formulary

The following information applies to most members enrolled in a Pharmacy Benefit Dimensions pharmacy plan.

Note: If you are reading a printed version of this drug formulary, content may have been updated since it was last printed. For the most up-to-date information, please visit www.pbdrx.com.

Drug Formulary Introduction

- Generic drugs appear in lower case. Brand name drugs are capitalized.
- Preferred generic drugs and a few select brand name drugs are assigned to Tier 1. In most instances, once a generic product is available for which there are no bioequivalence concerns, the brand product is removed from the formulary (not covered), and the generic product is assigned to Tier 1. Certain generic drugs may also be covered in a non-preferred tier when efficacy, safety, or cost factors suggest that better alternatives exist on the formulary.
- Pharmacy Benefit Dimensions reserves the right to modify drug tiers as necessary.
- Some medications are considered non-formulary (not covered). To obtain a medication that is non-formulary, your health care provider is encouraged to submit a Prior Authorization request for coverage through the exception process. If the request is approved, you will be responsible for the cost share associated with a non-preferred drug tier.
- Certain self-funded employer groups may not follow this base formulary and certain exclusions may apply. Members in these pharmacy benefit management groups should refer to their summary plan description and/or their benefit administrator.

Prior-Authorization

Prior Authorization is required for certain medications. To obtain coverage for a medication requiring Prior Authorization, a Prior Authorization request for medical exception must be submitted by your health care provider and approved by Pharmacy Benefit Dimensions. Medications that require prior authorization are listed with a “PA” in the formulary.

Step Therapy

In some cases, you may be required to try certain medications before Pharmacy Benefit Dimensions will cover a prescribed medication to treat your medical condition. Medications that require step therapy are listed with an “ST” in the formulary.

Quantity Limitations

Quantity limitations may apply to certain medications. Some medications are covered up to a specific quantity per fill or period of time. Medications with quantity limitations are listed with a “QL” in the formulary.

Limited Access Medications

Limited access medications are restricted to designated pharmacies. Limited access medications are listed with an “LA” in the formulary.

Specialty Medications

Specialty medications are medications that must be filled at a specialty pharmacy. Specialty medications can include but are not limited to those that are self-injectable, require special distribution, handling and/or are in limited supply. Specialty medications are listed with an “SP” in the formulary.

Reliance Rx

Reliance Rx, Pharmacy Benefit Dimensions’ preferred specialty pharmacy, specializes in the highest quality patient-centric care for individuals with chronic conditions such as hepatitis, multiple sclerosis, cancer and rheumatoid arthritis. Reliance Rx provides a convenient way for you to receive your medication, by arranging delivery at no charge directly to your home. They can also provide you with education on the medication you’re taking, refill reminders, and even the necessary supplies, if applicable and available.

Most specialty medications and limited access medications listed on the formulary are required to be filled at Reliance Rx. Please contact Pharmacy Benefit Dimensions Member Services to determine where you need to obtain your medication. Some prescription medications are restricted by age limits due to safety reasons or Food and Drug Administration (FDA) approved labeling. Medications with an age limit are listed with an “AL” in the formulary.

Maximum Daily Dose (MDD)

Certain medications are restricted by a maximum daily dose (MDD) as recommended by the Food and Drug Administration (FDA). Limits may be set by the number of units per day or the total daily dose.

Maintenance Medications

Pharmacy Benefit Dimensions allows up to a 90-day supply of certain medications to be filled. Medications eligible for a 90-day supply are listed with an “MM” on the formulary.

Over-the-Counter (OTC) Medications

Certain medications listed in the formulary are also available over the counter. A prescription is required for coverage of eligible OTC products.

Compounded Prescription Medications

Compounded prescriptions (medications that are not commercially manufactured) must be prepared by a participating pharmacy and contain at least one prescription component. The dispensing pharmacy is required to submit for prior approval. If approved, the compounded prescription will be available at a Tier 2 copayment/coinsurance. These medications are listed with a “**PL**” on the formulary. Please note, this benefit does not apply to all plans. Please refer to your plan of benefits to see if this applies. Some plans cover an expanded preventive list. Expanded preventive medications are marked with “**EP**” on the formulary. There is limited or no cost to you as a member for these medications if your plan has the expanded preventative list. Please refer to your plan of benefits to see if this applies.

Lost/Stolen/Damaged Medications

Replacement of any lost, stolen, or damaged medications is the responsibility of the member.

Dental Formulary

Drugs covered on our Dental Formulary are available when prescribed by a dental provider. Unless otherwise specified, all products are limited to a 10-day supply with one refill. Drugs included in our Dental Formulary are listed with a “**DF**” on the formulary. Drugs without a “**DF**” will not be covered when written by a dental provider.

Medical Benefit Drugs

Medical benefit drugs are medications that are typically administered by a healthcare provider, such as injections and infusions. Some medical benefit drugs are available through a retail pharmacy or specialty pharmacy but may not be listed in the formulary. Copayments for these medications vary by plan. Please contact Pharmacy Benefit Dimensions Member Services to determine if your medication is a covered benefit. Pharmacy Benefit Dimensions Member Services can be reached at (716) 635-7880 or toll-free at 1-888-878-9172.
