

QUANTITY LIMITS

This list is current as of 10/1/2026 and pertains to the following Independent Health 2027 Formularies:

Independent Health's Drug Formulary I
Independent Health's Drug Formulary II
Independent Health's Drug Formulary III
Independent Health's Essential Plan Formulary

Independent Health has established quantity limits on certain medications contained in our formularies mentioned above. Some medications are covered up to a specific quantity per 30 days. Medications with quantity limitations are listed with a "QL" in the Notes column of the formulary.

For items that come pre-packaged (for example: tube/container, inhaler device, single dose units, or liquid container), one package size is allowed per fill of these items. If a quantity limit is designated on the formulary, this restriction will take precedence over the pre-packaged limitations, when applicable.

If you have any questions, please contact our Member Services Department at 1-800-501-3439 or (716) 631-8701, Monday through Friday from 8 a.m. to 8 p.m. TTY users please call 711.

The formulary may change at any time. You will receive notice when necessary.
