Formulario 2024 de Health First Health Plans

Lista de medicamentos cubiertos

¿Qué es el Formulario de Health First Health Plans?

Un formulario es una lista de medicamentos cubiertos elegidos por Health First Health Plans con el asesoramiento de un equipo de proveedores de atención médica, que representa las terapias con medicamentos recetados que se consideran una parte necesaria de un programa de tratamiento de calidad. Por lo general, Health First Health Plans cubre los medicamentos que aparecen en nuestro formulario siempre y cuando se surtan en una farmacia de la red de Health First Health Plans, sean médicaamente necesarios y se respeten las demás normas del plan. Este Formulario se actualizó el 01/01/2024.

En la primera columna de la tabla aparece el nombre del medicamento. Los medicamentos de marca están en mayúscula (p. ej., SYSTOLIC) y los medicamentos genéricos aparecen en minúscula y cursiva (p. ej., carvedilol). Existen dos maneras de buscar un medicamento dentro del formulario:

1. Afección médica

El formulario comienza en la página 6. En este formulario, los medicamentos se dividen en categorías según el tipo de afección médica que tratan. Por ejemplo, los medicamentos usados para tratar una afección cardíaca se indican en la categoría Antiarrítmicos. Si sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la página 6. Luego, busque el nombre del medicamento debajo del nombre de la categoría.

2. Orden alfabético

Si no sabe en qué categoría buscar, debe buscar el medicamento en el Índice que comienza en la página 100. El Índice le proporciona una lista en orden alfabético de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los medicamentos genéricos figuran en el Índice. Consulte el Índice y busque su medicamento. Al lado del medicamento, verá el número de página en donde puede encontrar la información de cobertura. Vaya a la página que figura en el Índice y busque el nombre del medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Health First Health Plans cubre medicamentos de marca y genéricos. La Administración de Alimentos y Medicamentos (FDA) aprueba un medicamento genérico cuando considera que contiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos cuestan menos que los medicamentos de marca.

¿Existe alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales en la cobertura. Estos requisitos y límites pueden incluir:

- **Autorización previa:** Health First Health Plans requiere que usted [o su médico] obtengan una autorización previa para determinados medicamentos. Esto significa que deberá obtener la aprobación de Health First Health Plans antes de surtir sus recetas. Si no obtiene la aprobación, es posible que Health First Health Plans no cubra el medicamento.
- **Límites de cantidad:** Por ejemplo, para ciertos medicamentos, Health First Health Plans limita la cantidad del medicamento que se surte. Así, Health First Health Plans puede limitar un medicamento a solo 48 pastillas en un período de un mes. Si afectan su medicamento, estas cantidades se enumeran en el formulario a continuación.
- **Tratamiento escalonado:** En algunos casos, Health First Health Plans requiere que primero pruebe ciertos medicamentos para tratar su afección médica antes de que cubramos otro medicamento para esa afección. Por ejemplo, si el medicamento A y el medicamento B tratan su afección médica, es posible que Health First Health Plans no cubra el medicamento B a menos que pruebe el medicamento A primero. Si el medicamento A no funciona para usted, entonces Health First Health Plans cubrirá el medicamento B.

Puede averiguar si su medicamento tiene algún requisito o límite adicional buscando en el formulario que comienza en la página 6.

¿Qué sucede si el medicamento que necesito no está en el Formulario?

Si el medicamento que necesita no está incluido en este formulario, debe comunicarse con nosotros y preguntarnos si su medicamento está cubierto.

Health Plans

Si le informan que Health First Health Plans no cubre su medicamento, puede solicitarnos medicamentos similares que estén cubiertos por Health First Health Plans. Analice estas alternativas con su médico y pídale que le recete una de las alternativas cubiertas por Health First Health Plans.

¿Cómo solicito una excepción para el Formulario de Health First Health Plans?

Su médico puede solicitar a Health First Health Plans que realice una excepción en nuestras normas de cobertura. Por lo general, Health First Health Plans solo aprobará su solicitud de una excepción si los medicamentos alternativos incluidos en el formulario del plan o las restricciones de uso adicionales no resultaran tan eficaces a la hora de tratar su afección o provocaran efectos médicos adversos.

¿Puede cambiar el Formulario?

Tenga en cuenta que el formulario se revisa y actualiza mensualmente y puede estar sujeto a cambios. La mayoría de los cambios en la cobertura de medicamentos ocurren el 1 de enero, pero Health First Health Plans puede agregar o quitar medicamentos de la Lista de medicamentos a lo largo del año, pasarlos a diferentes niveles de gastos compartidos o agregar nuevas restricciones de administración para su uso. Si se ve afectado por un cambio en el formulario, Health First Health Plans intentará notificarle al menos 60 días antes de que el cambio entre en vigencia. Si realizamos dicho cambio, usted o su médico pueden solicitar una excepción para la continuación de la cobertura. Puede encontrar información en la sección anterior titulada “¿Cómo solicito una excepción para el Formulario de Health First Health Plans?” Puede comunicarse con nosotros para averiguar si su medicamento aún está cubierto o visitar hf.org/healthplans.
