Notes

Prior Authorization = Coverage of this drug is subject to review by the plan and is based on Pharmacy policy.

Quantity Limit = Limits the amount of drug that a beneficiary may receive in a certain period.

SP = To assist in the management of select specialty medications, some pharmacy benefit designs require the use of a preferred specialty pharmacy. Please call the number on the back of your member ID card for assistance.

Step Therapy = For a step therapy drug to be covered, the beneficiary will be first required to try a therapeutically equivalent medication.

Status

\$0 = Preventative Medication

1 = Generic

2 = Preferred Brand
