Request for Prior Authorization for Radicava (edaravone)
Website Form – www.highmarkhealthoptions.com
Submit request via: Fax - 1-855-476-4158

All requests for Radicava (edaravone) require a Prior Authorization and will be screened for medical necessity and appropriateness using the criteria listed below.

Radicava (edaravone) Prior Authorization Criteria:

Coverage may be provided with a diagnosis of amyotrophic lateral sclerosis (ALS) and the following criteria is met:

- Must be at least 18 years of age
- Must have a forced vital capacity (FVC) ≥ 80%
- Must be able to perform activities of daily living (ADLs) such as eating and moving around independently
- Provide an ALSFRS-R score within the past 6 months
- Must be prescribed by or in consultation with a neurologist
- Must be used in combination with riluzole unless there is documentation of intolerance or contraindication to riluzole
- The requested dose and frequency is in accordance with FDA-approved labeling, nationally recognized compendia, and/or evidence-based practice guidelines
- **Initial Duration of Approval:** 6 months
- **Reauthorization criteria**
    - Continues to experience clinical benefit based on the prescriber's assessment
    - Provide an ALSFRS-R score within the past 12 months
- **Reauthorization Duration of Approval:** 12 months

Coverage may be provided for any non-FDA labeled indication if it is determined that the use is a medically accepted indication supported by nationally recognized pharmacy compendia or peer-reviewed medical literature for treatment of the diagnosis(es) for which it is prescribed. These requests will be reviewed on a case by case basis to determine medical necessity.

Drugs are authorized in generic form unless the branded product is on the preferred drug list or the prescriber has indicated in writing that the branded product is medically necessary. If only the branded product is on the preferred drug list, the generic form will be considered non-preferred and shall not require the prescriber to indicate in writing that the branded product is medically necessary.
