Request for Prior Authorization for Macular Degeneration Agents
Website Form – www.highmarkhealthoptions.com
Submit request via: Fax - 1-855-476-4158

All requests for Macular Degeneration Agents require a prior authorization and will be screened for medical necessity and appropriateness using the criteria listed below.

Macular Degeneration Agents Prior Authorization Criteria:

Drugs addressed in this policy: Beovu (Brolucizumab), Eylea (Aflibercept), Lucentis (Ranibizumab), Susvimo (ranibizumab), Vabysmo (faricimab-svoa), Visudyne (Verteporfin) and Macugen (Pegaptanib).

For all requests for Macular Degeneration Agents, the following criteria must be met in addition to the diagnosis specific criteria:

- The requested medication is being prescribed for a diagnosis that is indicated in the FDA-approved package labeling, nationally recognized compendia, or peer-reviewed medical literature
- The treatment is prescribed by, or in consultation with, an ophthalmologist or retinal specialist
- The member does not have active ocular or periocular infection.
    - If requesting Vabysmo, Beovu, Susvimo or Eylea, member must also not have active intraocular inflammation
- Must provide documentation showing the member has tried and failed (which will be verified via pharmacy claims if available) or had an intolerance or contraindication to Avastin (bevacizumab) or a bevacizumab biosimilar agent
- **Initial Duration of Approval:** 12 months

Reauthorization criteria

- Chart documentation demonstrating clinical benefit and tolerance to therapy

Reauthorization Duration of Approval: 12 months

Coverage may be provided for any non-FDA labeled indication if it is determined that the use is a medically accepted indication supported by nationally recognized pharmacy compendia or peer-reviewed medical literature for treatment of the diagnosis(es) for which it is prescribed. These requests will be reviewed on a case by case basis to determine medical necessity.
