2027 Alternative Covered Drugs

WELLCARE BY FIDELIS CARE HAS YOU COVERED FOR YOUR PRESCRIPTION DRUG NEEDS.

We strive to cover the most common drugs across all disease states. Below are some common drugs not covered by the plan, along with alternative drugs that are covered. If you are currently on a drug that is not covered, please check our plan's *formulary* (drug list) to see which alternative drugs are covered. Talk to your provider to see if the formulary alternatives listed below would work for you.

Generics, authorized generics, and biosimilars (medicines similar to make-up and function as biologic medicines from living systems) listed in the table below with the ** symbol have the same active ingredients as the drug not covered on the formulary. If you have an active prescription for a drug not covered, talk to your provider or pharmacist about getting the drug listed with ** without a new prescription.

DRUG(S) NOT COVERED ON THE FORMULARY	DRUG(S) COVERED ON THE FORMULARY	FORMULARY RESTRICTIONS
BASAGLAR KWIKPEN (insulin glargine) SEMGLEE (insulin glargine-YFGN)** TRESIBA	INSULIN GLARGINE-YFGN**	None
	LANTUS**	None
	INSULIN GLARGINE U-300	None
TOUJEO U-300 (insulin glargine)**	INSULIN GLARGINE U-300**	None
	INSULIN GLARGINE-YFGN	None
	LANTUS	None
NOVOLOG (insulin aspart)** FIASP (insulin aspart) HUMALOG	KIRSTY (insulin aspart-xjhz)**	None
	MERILOG (insulin aspart-szjj)	None
INVOKAMET INVOKAMET XR	dapagliflozin-metformin ER	QL
	SYNJARDY	QL
	SYNJARDY XR	QL
INVOKANA	dapagliflozin	QL
	JARDIANCE	QL

UPPERCASE TEXT = Brand name drug **lowercase text = Generic drug**
****Therapeutically equivalent** **PA = Prior authorization** **QL = Quantity limit**
