

**Request for Prior Authorization for Firdapse (amifampridine)**  
**Website Form – [www.highmarkhealthoptions.com](http://www.highmarkhealthoptions.com)**  
**Submit request via: Fax - 1-855-476-4158**

All requests for Firdapse (amifampridine) require a Prior Authorization and will be screened for medical necessity and appropriateness using the criteria listed below.

**Firdapse (amifampridine) Prior Authorization Criteria:**

Coverage may be provided with a diagnosis of **Lambert-Eaton myasthenic syndrome (LEMS)** and the following criteria is met:

- Must be prescribed by or in consultation with a neurologist
- Must provide documentation of muscle weakness with typical distribution, areflexia, autonomic dysfunction, and **ONE** of the following:
  - Presence of VGCC autoantibodies
  - Electromyograph (EMG) or Nerve Conduction Study (NCS) with adequate repetitive stimulation undertaken in relevant muscles
- Provider attestation that other differential diagnoses such as Myasthenia Gravis have been ruled out
- Provider attestation that the member does not have a history of seizures
- The requested dose and frequency is in accordance with FDA-approved labeling, nationally recognized compendia, and/or evidence-based practice guidelines
- Must be age-appropriate according to FDA-approved labeling, nationally recognized compendia, or evidence-based practice guidelines
- **Initial Duration of Approval:** 3 months
- **Reauthorization criteria**
  - Must provide chart documentation demonstrating improvement of muscle weakness
- **Reauthorization Duration of Approval:** 12 months

Coverage may be provided for any non-FDA labeled indication if it is determined that the use is a medically accepted indication supported by nationally recognized pharmacy compendia or peer-reviewed medical literature for treatment of the diagnosis(es) for which it is prescribed. These requests will be reviewed on a case by case basis to determine medical necessity.

Drugs are authorized in generic form unless the branded product is on the preferred drug list or the prescriber has indicated in writing that the branded product is medically necessary. If only the branded product is on the preferred drug list, the generic form will be considered non-preferred and shall not require the prescriber to indicate in writing that the branded product is medically necessary.

**FIRDAPSE (AMIFAMPRIDINE)  
PRIOR AUTHORIZATION FORM**
