Diabetes Resources

Your diabetes insulin and supplies are important to your health.

Insulin - no more than $35 per 1-month supply

- Fiasp
- Humulin R U-500
- Insulin Glargine-YFGN
- Lantus
- Lantus Solostar
- Novolin N
- Novolin R
- Novolin 70/30
- Novolog
- Novolog Mix 70/30
- Toujeo
- Some Generics

Any insulin products not on this list will have no more than a $35 dollar copay per 1-month supply while in the initial coverage phase (ICP). Once the catastrophic phase is reached, you will no longer have a copay on any insulin or diabetic supplies filled through your Medicare Advantage plan.

Glucose test strips and blood glucose testing meters

Preferred Options at $0 cost share

Abbott

- FreeStyle
- FreeStyle Lite
- Precision Xtra
- FreeStyle Precision

Ascensia

- Contour
- Contour Next
- Contour Plus

Continuous Glucose Monitoring (CGM)

Preferred Options at $0 cost share

Abbott

- FreeStyle Libre 2 Plus
