Website Form – www.highmarkhealthoptions.com
Submit request via: Fax - 1-855-476-4158

All requests for Restasis (cyclosporine ophthalmic emulsion) require a prior authorization and will be screened for medical necessity and appropriateness using the criteria listed below.

Restasis (cyclosporine ophthalmic emulsion) Prior Authorization Criteria:

Members with historical pharmacy claims data meeting the following criteria will receive automatic authorization at the pharmacy point of service without the requirement for documentation of additional information. If pharmacy claims data cannot obtain the criteria below, documentation will be required to indicate the member meets the criteria. Claims will automatically adjudicate on-line, without a requirement to submit for prior authorization when the following criteria is met:

- Member is 16 years of age or older.
- Member must have a history of trial and failure, contraindication, or intolerance to at least one 30-day trial using ocular lubricants/artificial tears within the past 90 days.
- **Initial Duration of Approval:** 12 months
- **Reauthorization criteria**
    - Must provide chart documentation demonstrating clinical benefit and tolerance to Restasis
    - Members with historical pharmacy claims data meeting the following criteria will receive automatic reauthorization at the pharmacy point of service without the requirement for documentation of additional information. If pharmacy claims data cannot obtain the criteria below, documentation will be required to indicate the member meets the reauthorization criteria below. Claims will automatically adjudicate on-line, without a requirement to submit for reauthorization when the following criteria is met:
        - Documentation the member has been on Restasis within the last 180 days

Reauthorization Duration of approval: 12 months

Coverage may be provided for any non-FDA labeled indication if it is determined that the use is a medically accepted indication supported by nationally recognized pharmacy compendia or peer-reviewed medical literature for treatment of the diagnosis(es) for which it is prescribed. These requests will be reviewed on a case by case basis to determine medical necessity.
