**Request for Prior Authorization for Chronic GI Motility Medications**  
**Website Form – [www.highmarkhealthoptions.com](http://www.highmarkhealthoptions.com)**  
**Submit request via: Fax - 1-855-476-4158**

All requests for Chronic GI Motility Medications\* require a Prior Authorization and will be screened for medical necessity and appropriateness using the criteria listed below.

**Chronic GI Motility Medications Prior Authorization Criteria:**

\*Chronic GI motility medications include Amitiza, Linzess, Trulance, Movantik, Relistor, Viberzi, Symproic, Motegrity, and Zelnorm, Alosetron. New products with this classification will require the same documentation.

Coverage may be provided when all of the following criteria is met:

- Must have trial and failure of, intolerance, or contraindication to two first-line treatment options (e.g., bulk-forming laxatives, osmotic medications, stool softeners, or stimulant laxatives) specific to the diagnosis
- For non-preferred agents, the member has had a trial and failure of all preferred agents or submitted a clinical reason for not having a trial of all preferred agents when clinically appropriate
- The requested dose and frequency is in accordance with FDA-approved labeling, nationally recognized compendia, and/or evidence-based practice guidelines
- **Initial Duration of Approval:** 3 months
- **Reauthorization criteria**
  - Documentation showing improvement in symptoms
- **Reauthorization Duration of approval:** 12 months

Coverage may be provided for any non-FDA labeled indication if it is determined that the use is a medically accepted indication supported by nationally recognized pharmacy compendia or peer-reviewed medical literature for treatment of the diagnosis(es) for which it is prescribed. These requests will be reviewed on a case by case basis to determine medical necessity.

Drugs are authorized in generic form unless the branded product is on the preferred drug list or the prescriber has indicated in writing that the branded product is medically necessary. If only the branded product is on the preferred drug list, the generic form will be considered non-preferred and shall not require the prescriber to indicate in writing that the branded product is medically necessary.

**CHRONIC GI MOTILITY MEDICATIONS  
PRIOR AUTHORIZATION FORM**
