List of covered drugs

Please read: This document contains information about the drugs we cover in this plan.

Important: Priority Health requires the use of an A-rated generic drug when one is available. Even if a drug is on the approved drug list, it may not be included in your employer's prescription drug program. Check your Priority Health coverage documents and riders to find out if any approved drugs are not included. This list changes frequently. For the most current information, please refer to the "Approved Drug List" at [priorityhealth.com](https://www.priorityhealth.com).

Notice of Nondiscrimination and Language Assistance Services

Priority Health complies with applicable federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex. Priority Health does not exclude people or treat them differently because of race, color, national origin, age, disability or sex. Federal law requires that we provide you with this Notice of Nondiscrimination and Language assistance services.

Free aids and services

Priority Health provides free aids and services to people with disabilities to communicate effectively with us, such as:

- Qualified sign language interpreters
- Written information in other formats (large print, audio, accessible electronic formats, other formats)

Priority Health provides free language services to people whose primary language is not English, such as:

- Qualified interpreters
- Information written in other languages

If you need these services, contact Priority Health customer service by calling the number at the back of your membership ID card (TTY users call 711).

To file a civil rights grievance

If you believe that Priority Health has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability or sex, you can file a grievance with:

Priority Health Compliance Department
